Trade-marks Journal

Vol. 64 No. 3260

General Information

The *Trade-marks Journal* is published every week in compliance with Rule 15 of the *Trade-marks Regulations*. The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (http://cipo.gc.ca). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the Journal are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the Journal have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Trade-marks Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

Goods

(1) computers, computer peripheral devices, namely computer mice, computer chips, computer disk/disc drives, computer interface boards, computer interface cards, computer network adaptors, computer power supplies, computer printer cartridges, computer printers, computer cameras, videophones, joysticks, and scanners, computer terminals; computer hardware; computer gaming machines namely electronic hand-held game units, computer game consoles, computer game joysticks, computer game cartridges, stand-alone general purpose micro controller boards used for calculation and interface to low voltage electronic components, electromechanical components and electronic systems. Stand-alone video game machines; microprocessors, memory boards, computer monitors, displays namely computer display terminals, computer monitors, digital display screens, LCD screens and touch screens, keyboards, computer cables, modems, printers, disk drives, connectors for electronic circuits, and computer hardware namely drivers, hard disk drivers; blank computer storage media namely, hard computer discs, digital video discs and digital versatile discs namely DVD-R discs, CD-Rom computer discs and computer memory cards; magnetic data storage carriers namely blank floppy disks, blank magnetic tapes, blank digital optical disks, magnetic storage disks, blank compact disks, blank digital video disks, blank digital audio tapes and blank video tapes for media storing and recording data, namely, music, audio, video files and multimedia content; computer software and firmware, namely, operating system programs, data synchronization programs, and application development tool programs for personal and handheld computers; pre-recorded computer programs for personal information management, database management software, character recognition software, telephony management software, electronic mail and messaging software, paging software; database synchronization software, computer programs for accessing, browsing and searching online databases, computer hardware and software for providing integrated telephone communication with computerized global information networks; handheld digital electronic devices namely, personal digital assistants, electronic organizers, electronic notepads, mobile phones, cameras, computer game playing devices namely electronic hand-held game units, computer game consoles, computer game joysticks, computer game cartridges, stand alone video game machines, videophones, mobile telephones and tablet computers for the sending and receiving of telephone calls, electronic mail, and other digital data, namely personal information, text messages, audio files, video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations consisting of text, graphics and video content, mobile telephones and tablet computers for use as a digital format audio and video player, for use as an

electronic publication reader, and for use as a handheld computer, voice recorder, video recorder, digital compass and camera and software related thereto namely software for recording, organizing , transmitting, manipulating, and reviewing text, data, image, audio and audiovisual files for the sending and receiving of telephone calls, electronic mail, and other digital data namely personal information, text messages, audio files, video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations consisting of text, graphics and video content; MP3 players for the storage, transfer and playback of music, audio, video and multimedia files; hand held computers, tablet computers, personal digital assistants, electronic organizers, electronic notepads; mobile digital data and cellular electronic devices namely computers, cellular telephones and personal assistants for recording, organizing, transmitting, manipulating, and reviewing text, data, image, audio, and audiovisual files, for the sending and receiving of telephone calls, electronic mail, and other digital data namely personal information, text messages, audio files, video files, multimedia files, music files, computer software, calendar and contact data, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations comprising text, graphics and video content for use as a digital format audio and video player, computer gaming device, an electronic publication reader, hand-held computer, personal digital assistant, electronic organizer, electronic notepad, camera, telephone, voice recorder, video recorder, digital compass and global positioning system (GPS) electronic navigation device; global positioning system (GPS) devices namely mobile handheld digital electronic devices for use as portable electronic GPS instruments for determining and outputting position and speed and distance, telephones; cordless telephones; mobile telephones; parts and accessories for mobile telephones namely electrical connectors, wires, cables, and adaptors, chargers, cases, headphones, earphones, ear buds, audio speakers, microphones, and headsets; facsimile machines, answering machines, cameras, videophones, telephone-based information retrieval software for computers and mobile telephones for the retrieval of data and of information namely personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, computer software, calendar and contact data, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations comprising text, graphics and video content; electronic handheld units namely personal digital assistants, electronic organizers, electronic notepads, mobile phones, electronic digital audio and video players namely electronic publication readers, cameras, computer gaming machines, videophones, and handheld computers for the wireless receipt, storage and transmission of data and messages, namely personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, computer software, calendar and contact data, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations comprising text, graphics and video content and electronic devices, namely personal digital assistants, electronic organizers, electronic notepads, mobile phones, electronic publication readers, cameras, computer gaming machines, videophones and handheld computers that enable the user to keep track of and manage personal information; computer software for the synchronization of data between an electronic remote station or device and a fixed or remote station or device; electronic computer storage and optical storage media namely, computer chips, hard computer discs, digital video discs and digital versatile discs namely blank DVD-R discs, computer storage discs namely blank CD-Rom discs, computer memory expansion modules, and blank magnetic disks and blank magnetic tapes namely blank floppy disks, blank magnetic video and audio tapes and disks, blank digital optical disks, blank magnetic disks, blank compact disks, blank digital audio tapes and video tapes for storing and recording computer programs and software; solid state computer and electronic memory devices, namely solid state storage drives and flash drives; computer and electronic games namely electronic hand-held game units, interactive computer games, computer games, stand alone video game machines, video games other than those adapted for use with television receivers only, hard game discs, computer game discs namely CD-Rom discs, digital video game discs; computer equipment for use with any of the aforesaid goods namely, computer game consoles, computer game joysticks, computer network adaptors, computer power supplies, computer speakers, computer headphones, blank computer storage media namely hard computer discs, digital video discs and digital versatile discs namely DVD-R discs, CD-Rom computer discs, computer memory cards; accessories, parts and fittings for all the aforementioned goods namely electrical connectors, wires, cables, adaptors, headphones, earphones, ear buds, audio speakers, microphones, and headsets; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; hard drives; miniature hard disk drive storage units; electric batteries namely cellular phone batteries and handheld mobile digital electronic device batteries; rechargeable electrical batteries; chargers namely, cellular phone battery chargers, camera battery chargers, and handheld mobile digital electronic device battery chargers; chargers for electric batteries; headphones; stereo headphones; in-ear headphones; stereo speakers; radio receivers, amplifiers, electric phonographs, record players, audio and video tape recorders for the reproduction of music, video, multimedia and audio files, loudspeakers, multiple speaker units for amplification, recording and reproduction of music, video, multimedia and audio files, microphones; digital audio and video devices, namely handheld computers, electronic handheld personal organizers, audio speakers, video cameras; audio, video, and digital mixers; radio transmitters; bags and cases adapted or shaped to contain MP3 players, hand held computers, tablet computers , personal digital assistants, global positioning system (GPS) devices, electronic organizers and electronic notepads; computer software for assisting developers in creating program code for use in multiple application programs; computer software for running development programs and application programs in a common development environment; compiler programs, debugger programs and utility programs for creating graphical applications

(2) toys namely toy desktop computers, toy laptop notebook computers, toy hand held and mobile computers, toy personal digital assistants, toy electronic organizers, toy electronic notepads, toy cameras and toy computer gaming machines namely toy electronic hand-held game units, toy computer game consoles, toy computer game joysticks, toy computer game cartridges, stand alone toy video game machines; games and playthings namely, computer game cartridges, computer game consoles, computer game joysticks, computer games, handheld computers, personal digital assistants, electronic organizers, electronic notepads, cameras, videophones and computer gaming machines namely electronic hand-held game units, and stand alone video game machines; playing cards; electronic hand-held game units; musical toys; toy audio apparatus namely, toy stereo headphones, toy in-ear headphones, toy audio speakers, toy digital audio players, toy portable and handheld digital audio players, toy earphones, toy ear buds, toy microphones and toy headsets; toy musical boxes; toy musical instruments; toy record players for playing tunes and cassettes; musical games namely computer music game cartridges and computer music games; battery operated toys namely, computer-related battery operated toys, namely, cars, robots, drawing kits, board games, electronic games, electric action toys, figurines, musical instruments and musical toys, construction playsets, toy sports equipment, namely tennis rackets, balls, bike trainers, golf gloves, golf clubs, golf tees and baseball bats, binoculars, battery operated computer toys for the sending and receiving of telephone calls, electronic mail, and other digital data namely personal information, text messages, audio files, video files, multimedia files, music files, graphics, still images, moving pictures, books, for use as a digital format audio player and for use as handheld computers, battery operated toy personal digital assistants, battery operated toy electronic organizers, battery operated toy electronic notepads, battery operated cameras, battery operated toy computer gaming machines and battery operated toy videophones; electric computer games, other than those adapted for use with television receivers; hand-held electronic games and

apparatus, other than those adapted for use with television receiver only, namely, computer game cartridges, computer game consoles, computer game joysticks, computer games, handheld computers, personal digital assistants, electronic organizers, electronic notepads, cameras, computer gaming machines and videophones; video games other than those adapted for use with television receivers only; computer game apparatus other than coin operated or those adapted for use with television receivers namely game cartridges, hard game discs, digital video game discs and digital versatile discs namely DVD-R discs, and computer game discs namely CD-Rom discs, computer game cartridges, computer game consoles, computer game joysticks, handheld computers, personal digital assistants, electronic organizers, electronic notepads, cameras and videophones; video output toys and games namely, toy touch screens, toy digital display screens, toy LCD screens; interactive computer toys and games for the sending and receiving of telephone calls, electronic mail, and other digital data namely personal information, text messages, audio files , video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations consisting of text, graphics and video content, for use as a toy digital format audio player, and for use as toy handheld computers, toy personal digital assistants, toy electronic organizers, toy electronic notepads, toy cameras, toy videophones and toy computer gaming machines namely electronic hand-held toy game units, toy computer game consoles, toy computer game joysticks, toy computer game cartridges, stand alone toy video game machines; musical toys and games namely computer games; stand alone video game machines incorporating a means of display; toy handheld electronic devices namely, toy personal digital assistants, toy electronic organizers, toy electronic notepads, toy cameras, toy videophones; toy computers (not working); toy mobile telephones (not working).

(3) computer software for user authentication; encryption keys, electronic encryption keychain, electronic security token, hardware security token; smart cards namely chip card or integrated circuit card (ICC) for the purpose of encryption application used by an authorized user of a computer system facilitate authentication; electronic security token in the nature of a fob-like device used by an authorized user of a computer system to facilitate authentication; software to facilitate transactions utilizing digital crypto-currencies, namely the receipt, transfer, purchase, issuance, dispensation, conversion, exchange, storage and management of digital crypto-currencies and to display rates of exchange for same; computer software programs relating to public key infrastructure based security systems and access control and authorization management solutions, namely, information security applications, cryptography, public key cryptography, private key cryptography; Computer software for enabling credit, debit, cash, gift, and payment card number and authentication storage and authorized user selection of the stored data for use in connection with payment for goods and services; integrated circuits, printed circuit board (PCB); computer software for running software development programs and application programs in a common development environment; Clothing such as casual clothing;

SERVICES

(1) providing to third parties communication and telecommunication services, namely, dissemination via computer, internet-based databases, electronic communications networks and information networks of content and data, namely, personal information, audio files, video files, streamed and downloadable audio and video files, live radio broadcasts, radio broadcast recordings, text messages, multimedia files, music files, graphics, still images, moving pictures, books, publications, journals and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content; providing to third parties a telecommunication access service namely, providing multiple user

bandwidth and dedicated access to the Internet to enable electronic access to computer software, Internet websites, Internet web software applications, electronic databases, digital content, and business computer software applications of others accessible via the Internet; communication between computers namely, dissemination and transmission by electronic and digital means of information namely personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content between a fixed and remote station or device and one or more fixed and remote station or device; providing to third parties electronic sending of data and news namely, personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletters, journals other publications, and presentations, in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content via the Internet and other electronic, computer and communications networks namely, over satellite and other wireless links; providing to third parties, telecommunication access to websites and electronic news services online allowing the download of information and data, namely personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, publications and journals and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content; providing to third parties telecommunication access to web sites on the Internet for the purpose of identifying, locating, grouping, distributing, and managing data and links to third-party computer servers, namely data and links to personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content; providing wireless telecommunications via electronic communications networks for the sending and receiving of telephone calls, electronic mail, and other digital data, namely personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content; broadcasting or transmission of radio and television programmes by electronic and digital means via cellular networks and computer networks; time sharing services for communication apparatus namely, computers, telephones, cordless telephones, mobile telephones, handheld and mobile digital electronic devices for the sending and receiving of telephone calls, faxes, electronic mail, and other digital data, namely personal information, text messages, electronic mail, audio files , video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content, via cellular networks and computer networks; provision of telecommunications access and links to computer databases and the Internet for the purpose of identifying, locating, grouping, distributing, and managing data and links to third-party computer servers, namely data and links to personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, computer software, calendar and contact data, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, comprising text, graphics and video content; webcasting services for the transmission of radio and television programmes by electronic and digital means via cellular networks and computer networks; providing telecommunication access to digital music web sites on the Internet to third parties; providing telecommunication access to MP3 web sites on the Internet to third parties; delivery of digital music by telecommunications namely, electronic transmission of streamed and downloadable electronic publications for browsing over computer networks; electronic mail services; providing to third parties the dissemination and transmission of information via the Internet and other electronic and communications networks, namely personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, computer software, calendar and contact data, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, comprising text, graphics and video content; providing via the Internet and other computer, electronic and communications networks, video broadcasting, broadcasting pre-recorded videos in the field of music, film, television and tickets to, and downloads of recordings of cultural events, and entertainment-related programs of all kinds namely recitals, concerts, plays, videos, radio, television, film, news, sports and games; providing via the Internet and other computer, electronic and communications networks, video broadcasting in the field of music and entertainment-related programs of all kinds namely recitals, concerts, plays, videos, radio, television, film, news, sports and games; providing via the Internet and other computer, electronic and communications networks, subscription services for a fee in the field of audio broadcasting in the field of music and entertainment-related programs of all kinds namely recitals, concerts, radio, plays, commentary, news, sports and games; providing via the Internet and other computer, electronic and communications networks, audio broadcasting in the field of music and entertainment-related programs of all kinds namely recitals, concerts, radio, plays, commentary, news, sports and games; providing on-line bulletin boards for the transmission of messages among computer users concerning entertainment namely, music, concerts, videos, radio, television, film, news, sports, games and cultural events; rental and hire of communication apparatus boxes namely, computers, telephones, cordless telephones, mobile telephones, handheld and mobile digital electronic devices, and accessories related thereto and electronic mail-boxes; providing to third parties electronic communication and telecommunication services, namely, dissemination via computer, internet-based databases, electronic communications networks and information networks of news in the field of sports, weather, cultural events and entertainment namely music, concerts, plays, celebrity gossip and movies; electronic communications consultancy namely consulting services in the field of the electronic transmission of data and of information by electronic means namely, text messages, electronic mail, video, music, computer software, photographs, calendar and contact data, news, weather, financial information, map and direction information, via cellular networks and global computer networks; facsimile, message collection and transmission services namely services in the field of the collection and transmission of messages, namely text messages and electronic messages via the Internet and other electronic, computer and communications networks, providing to third parties electronic sending of data and information namely, personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content, by electronic means, computer, cable, radio, teleprinter, teleletter, electronic mail, telecopier, television, microwave, laser beam, communications satellite or electronic communication means; providing to third parties electronic sending of data by audio-visual apparatus controlled by data processing apparatus or computers, namely, electronic transmission and processing via the Internet, and other electronic, computer and communications networks, of personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content; disseminating via the Internet and other electronic, computer and communications networks information in the field of the transmission of data by audio-visual apparatus controlled by data processing apparatus or computers, namely transmission and processing of personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content; business consultancy services in the field of the transmission of data by audio-visual apparatus controlled by data processing apparatus or computers, namely transmission and processing of personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and presentations in the field of computers, computer software, computer peripherals, and consumer electronics, consisting of text, graphics and video content; providing to third parties telecommunication access to databases and directories via communications networks for obtaining data in the fields of music, video, film, books, television, games and sports; providing users with telecommunication access time to electronic communications networks with means of identifying, locating, grouping, distributing, and managing data namely personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, computer software, calendar and contact data, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and visual presentations in the field of computers, computer software, computer peripherals, and consumer electronics, comprising text, graphics and video content and links to third-party computer servers, computer processors and computer users.

(2) Providing to third parties scientific and technological services and research in the field of computer networks and network systems design; industrial analysis and research services in connection with computer hardware and software, and electronic messaging systems; design and development of computer hardware and software; computer hardware and software consulting services; rental to third parties of computer hardware and software apparatus and equipment namely computer peripheral devices namely computer mice, computer chips, computer disk/disc drives, computer interface boards, computer interface cards, computer network adaptors, computer power supplies, computer printer cartridges, computer printers, computer cameras, videophones, joysticks, and scanners, computer gaming machines namely electronic hand-held game units, computer game consoles, computer game joysticks, computer game cartridges, stand alone video game machines, displays namely computer display terminals, computer monitors, digital display screens, LCD screens, touch screen, blank computer storage media namely, hard computer discs, digital video discs and digital versatile discs namely DVD-R discs, computer discs namely CD-Rom

discs and computer memory cards, magnetic data carriers namely, memory cards, floppy disks, magnetic tapes, digital optical disks, magnetic disks, compact disks, digital video disks, digital audio tapes and video tapes, handheld digital electronic devices namely, personal digital assistants , electronic organizers, electronic notepads, smart phones, cameras, computer game playing devices namely electronic hand-held game units, computer game consoles, computer game joysticks, computer game cartridges, stand alone video game machines, videophones, handheld mobile digital electronic devices for the sending and receiving of telephone calls, electronic mail, and other digital data, namely personal information, text messages, audio files, video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations consisting of text, graphics and video content, handheld mobile digital electronic devices for use as a digital format audio and video player, for use as an electronic publication reader, and for use as a handheld computer, voice recorder, video recorder, digital compass and camera and software related thereto namely software for recording, organizing, transmitting, manipulating, and reviewing text and other digital data namely personal information, text messages, audio files, video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations consisting of text, graphics and video content, image, audio, and audiovisual files, for the sending and receiving of telephone calls, electronic mail, and other digital data namely personal information, text messages, audio files, video files, multimedia files, music files, calendar and contact information, spreadsheets, graphics, still images, moving pictures, books, publications, journals and presentations consisting of text, graphics and video content; multimedia and audio-visual software consulting services; computer programming; support and consultation services for developing computer systems, databases and applications; graphic design for the compilation of web pages on the Internet; information relating to computer hardware or software provided on-line from a global computer network or the Internet; creating and maintaining web-sites; hosting the web-sites of others; providing search engines for obtaining data via communications networks; application service provider (ASP) services featuring software for use in connection with online music subscription service, software that enables users to play and program music and entertainment-related audio, video, text and multimedia content, and software featuring musical sound recordings, entertainment-related audio, video, text and multimedia content; providing temporary internet access to use on-line non-downloadable software to enable users to program audio, video, text and other multimedia content, namely music, concerts, videos, radio, television, news, sports, games, cultural events, and entertainment-related programs of all kinds namely recitals, concerts, plays, videos, radio, television, film, news, sports and games; providing search engines for obtaining data on a global computer network; disseminating via the Internet and other electronic, computer and communications networks information in the field of education services, namely organizing and conducting exhibitions, displays, exhibits, workshops, seminars, training, and conferences all in the field of computers, computer software, computer peripherals, consumer electronics, online services, namely technical support and technician training, high technology, communications, namely computer networking and the Internet, information technology, information services, namely training services for providing information services to third parties in the field of computers, computer software, computer peripherals and consumer electronics; business consultancy services in the field of education services, namely, organizing and conducting exhibitions, displays, exhibits, workshops, seminars, training, and conferences all in the field of computers, computer software, computer peripherals, consumer electronics, online services, namely technical support and technician training, high technology, communications, namely computer networking and the Internet, information technology, information services, namely training services for providing information services to third parties in the field of computers, computer software, computer peripherals and consumer electronics; providing to third parties search engines for obtaining on a global computer network, data namely personal information, text messages, electronic mail, audio files, video files, multimedia files, music files, calendar and contact information, news, weather, financial information, map and direction information, spreadsheets, graphics, still images, moving pictures, books, magazines, periodicals, newsletter, journals, other publications, and presentations consisting of text, graphics and video content; computer consulting and support services for scanning information into computer discs; creating indexes of online information, sites and other resources available on global computer networks for others; providing user access to the Internet (service providers).

(3) Telecommunications routing and junction services by mobile radio, radio telephone, telegram, satellite, telecommunication networks, microwave channels; facsimile and telegram services; call forwarding services; shipping and transmission of computerized documents, namely: transmission of documents via computer terminals; electronic mail; electronic messaging and electronic information distribution services by global communication network (the Internet) and private access networks (Intranet), namely: providing multiuser access to a global computer information network and internal computer information network for the transfer and dissemination of information in the field of information technology defence and military domains; mobile radiotelephone communications services; secure data transmission services in particular with access codes, namely: design, monitoring and testing of security computerized system dedicated to data, sound and image processing, radar detection, software protection programs; supply of access to a radio telephone network including subscription for flat fee services;

(4) design and development of software security equipment for public network operators, consumers and enterprises; applications engineering services using computer systems and facilities in the field of defence and military domains; information management services, namely: installation of computer systems, monitoring of computer systems, computer programming; consulting services in the field of electronic security; elaboration (design) of telecommunications software; computer programming; management of exhibition places; industrial and scientific research in the field of telecommunications namely, services for the updating of databases and software; software maintenance services; advice in the choice and implementation of computer processing equipment;

(5) providing internet forums, internet blog, internet community site in the field of computers; custom manufacture of computer hardware namely for entertainment; organisation of sporting and cultural activities for charitable purposes; the publication of books, texts and magazines; production of course materials distributed at seminars, exhibitions and classes; publication of electronic books, manuals and journals on-line; developing and conducting educational programs in the field of computers; conducting and organisation of conferences in the field of computers; organisation of competitions in the field of computers; organisation of fundraising activities and events; organisation of charity activities and events; production and presentation of television programmes namely, films, sound and video recordings and computer programmes; organisation, production and presentation of television shows and audience participation events; game services provided on-line from a computer network; amusement park services; providing instructional videos in the field of computers; peer-to-peer browser and peer-to-peer photo sharing and video sharing services ; publication of electronic journals, featuring user generated or specified content; providing podcasts in the field of computers; scientific and technological services and research and design relating thereto in the field of computers; support and consultation services for design and development of computer systems, databases and applications; leasing and rental of computer hardware and software apparatus and equipment; installation, maintenance and repair of computer software; design and development of computer media, computer memory devices, digital data storage devices and systems namely, hard disk drives, solid state disk drives, miniature fixed disk

drives and computer storage disks; computer systems analysis; computer programming services; creating and maintaining web-sites; application service provider (ASP) services featuring computer services, namely, creating virtual communities for users to engage in social and business networking; information, advisory and consultancy services relating to all the aforesaid; technical online information and technical database information services relating to computers; licensing computer hardware and software

(6) design and development of computer software; computer software programming

(7) education and training services in the field of computers; instruction services in the field of computers; teaching and tuition services in the field of computers; online tutorials in the field of computers; publishing online wiki in the field of computers; providing online electronic information and publications (non-downloadable) relating to computers; publication of electronic web logs, featuring user generated or specified content; providing webinars in the field of computers; design and development of computer hardware; computer consultation, design, testing, research and advisory services; research and development of computer hardware and software; compliance testing of computer hardware; design and development of computers, computer peripherals; technical information relating to computer hardware or software provided on-line from a global computer network or the Internet; computer services, namely, creating virtual communities for users to participate in discussions and forums, engage in community networking and share information, photographs and videos

(8) services to facilitate and support transactions utilizing digital crypto-currencies, namely the receipt, transfer, purchase, issuance, dispensation, conversion, exchange, storage and management of digital crypto-currencies, and to display rates of exchange for same

traveling rugs, compasses, multi-functional watches for sports, telescopes, water bottles and torches for lighting, camping equipment and sets, household furnishings (interior and exterior), books, audio and video products namely, audio and video cassette recorders, audio and video receivers, video baby monitors, compact disks and leather bags, laundry detergent, pesticides, electronic-books, pedometer, photographic paper, glue, drawing boards, buttons, printers and accessories namely, filled ink cartridges for printers, filled toner cartridges for laser printers, printer cartridges, fishing tackle, goggles for sports, electronic book readers, recording pen, portable media players namely, mp3 players, mobile phones, electronic tablets, handheld computer, cameras and accessories namely, camera adapters, camera batteries, camera brackets, hosiery, girdles, scarfs, gauze masks, tablet computers, smart watches, watch smart bands bracelets, leather bag.

(14) Shopping mall services featuring bleaching preparations and other substances for laundry use, cleaning, polishing, scouring and abrasive preparations namely all-purpose cleaning preparations, bleaching preparations for cosmetic purposes, bleaching preparations for laundry use, bleaching preparations for the hair, carpet cleaning preparations, de-greasing preparations for household purposes, soaps, perfumery, essential oils, cosmetics, hair lotions, dentifrices, dietetic substances adapted for medical use, food for babies, plasters, materials for dressings, material for stopping teeth, dental wax, disinfectants, preparations for destroying vermin, fungicides, herbicides, machines, namely metalworking machines, hand-held tools (other than hand-operated), clothes washing machines, bottle washing machines, textile washing machines for industrial purposes, vehicle washing machines, garbage disposals (machines) and vacuum cleaners, and machine tools , hand tools and implements (hand operated), cutlery, razors, scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments namely, liquid level sensors, oil level sensors, sound level sensors, optical sensors, telescopes, microscopes, cameras, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity namely, electric wires, electric switches, electricity conduits, power switches, electric

power generators, electrical power connectors, power transformers, apparatus for recording, transmission or reproduction of sound or images namely, audio receivers, stereo receivers, loudspeakers, car antennas, radio antennas, television receivers, magnetic data carriers namely, blank magnetic tape, recording discs, namely, blank floppy discs, blank audio compact discs, automatic vending machines and mechanisms for coin-operated apparatus, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes namely refrigerators, freezers, stoves, grills namely cooking grills, ovens namely gas ovens and electric ovens, precious metals and their alloys and goods in precious metals or coated therewith, namely boxes of precious metal or coated with precious metal, jewelry of precious metal or coated with precious metal, works of art of precious metal or coated with precious metal, statues of precious metal or coated with precious metal and ornamental pins of precious metal or coated with precious metal, jewelry, precious stones, horological and chronometric instruments, musical instruments, paper, cardboard and goods made from these materials, namely writing or drawing books, cards, flags of paper, bags [envelopes, pouches] of paper, for packaging, boxes of cardboard or paper, copying paper (stationery), towels of paper, cups of paper, toilet paper, memo pads, loose-leaf notebooks and albums, printed matters namely, note paper and loose leaf paper, decals, trading cards, posters, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials, paint brushes, typewriters and office requisites namely, office requisites in the form of finger-stalls, paper folding machines as office requisites, instructional and teaching material namely, manuals, books, plastic materials for packaging, printers' type, printing blocks, leather and imitations of leather, and goods made of these materials, namely pocket wallets, purses, handbags, bags, vanity cases (not fitted), coverings of skins (furs), leather laces, moleskin (imitation of leather) and fur, animal skins, hides, trunks and traveling bags, umbrellas, parasols and walking sticks, whips, harness and saddlery, furniture, mirrors, picture frames, goods of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerschaum and substitutes for all these materials, or of plastics, namely containers for storage or transport, sealing caps, steps (ladders), bamboo curtains, bead curtains for decoration, works of art of wood, wax, plaster or plastic, shells, display boards, signboards of wood or plastics, decoration of plastic for foodstuff, kennels for household pets, clothes hooks, furniture fittings, slatted indoor blinds and pillows, household or kitchen utensils and containers, combs and sponges, brushes, brush-making materials, articles for cleaning purposes namely, cleaning sponges, grill cleaning scrapers, steel wool, unworked or semi-worked glass (except glass used in building), glassware, porcelain and earthenware, ropes, string, nets, ferns, awnings, tarpaulins, sails, sacks and bags, yarns and threads, for textile use, textiles and textile goods namely, flags and pennants of textile, curtain holders of textile material, face towels of textile, bed and table covers, clothing, footwear, headgear, lace and embroidery, ribbons and braid, buttons, hooks and eyes, pins and needles, artificial flowers, carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings, games and playthings, gymnastic and sporting articles namely, sports eyewear, sports watches, nets for sports, decorations for Christmas trees, meat, fish, poultry and game, meat extracts, preserved, frozen, dried and cooked fruits and vegetables, jellies, jams, compotes, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, tapioca, sago, artificial coffee, flour and preparations made from cereals namely noodles, pasta, spaghetti, cereal bars, processed cereals, bread, pastry and confectionery, ices, honey, treacle, yeast, baking-powder, salt, mustard, vinegar, sauces (condiments),spices, ice, agricultural, horticultural and forestry products, namely, trees, undressed timber, raw barks and grains, fresh fruits and vegetables, seeds, natural plants and flowers, foodstuffs for animals, malt, beers, mineral and aerated waters and non-alcoholic drinks namely, non-alcoholic chocolate-based beverages, non-alcoholic coffee-based beverages, non-alcoholic tea-based beverages, fruit drinks and fruit juices, syrups and other preparations for making beverages namely, non-alcoholic fruit extracts used in the preparation of beverages, alcoholic beverages, smokers' articles, matches, household appliances namely, air purifiers for household purposes, charcoal roasters for household purposes, electric freezers for household purposes, electric fans for household purposes and kitchen appliances, automotive supplies namely, rust proofers, sound insulation, fabric sealants, paint protectors, automotive accessories namely, automotive suspension springs, automotive batteries, automotive fuses, preparations for home maintenance and renovation namely, detergents for household use, soaps for household use, disposable wipes for household use, kitchenware, goods for indoor and outdoor home decoration namely, Christmas decorations, paper party decorations, Christmas tree ornaments and decorations, dried corn husks for decoration, home textiles, tableware, net curtains, curtains of textile or plastic, blinds of textile, wall hangings of textile , non-woven textile fabrics, loose covers for furniture, cushions, covers for cushions, furniture coverings of textile, personal care products namely, body care soap, hair care preparations, lip care preparations, nail care preparations, lotions for face and body care, mobiles, mobile phone accessories, hygienic products and beauty care cosmetics, toiletries, make-up, articles for babies namely, babies' bottles, pacifiers for babies, baby strollers, preparations for perfuming the home, childcare goods namely, baby lotion, baby oils, baby powder, shampoos for babies, pharmaceutical anti-allergic preparations and substances, pharmaceutical preparations for wounds, healthcare products namely, vitamins and dietary supplements for promoting weight loss, dietary supplements for general health and well-being, healthcare appliances namely, orthodontic appliances, x-ray appliances for dental and medical use, depilation appliances, hair cutters, home entertainment products namely, home theatre surround sound systems, home video game machines, clothing accessories namely, headbands, bandanas, belts, scarves, mittens, gloves, computers, software, communication and consumer electronics namely, electronic agendas, electronic pens, computer hardware, multimedia and telephony goods and accessories therefor namely, automatic telephone exchanges, cases for telephones, answering machines, cellular phones, mobile phone straps, dmb (digital multimedia broadcasting) televisions, multimedia applications for mobile phones in the form of word games, mouses, keyboards, cameras, videos, gaming devices, power supplies, cables namely, electronic cables, audio/video cables, laptop tips, monitors, fax machines, network products, namely modems, USB flash drives, hard drives, portable hard drives, network storage servers, switchboards and network interface cards, routers, 3G Internet mobile devices, office equipment, office supplies, namely, printers, projectors, fax machines, compound machines, scanners, shredders, laser pointers, calculators, toner, ribbons, cartridges, system software, antivirus software, game software, office software, educational software tools, photographic accessories, namely, photographic filters, photographic flash units for cameras, photographic racks , electronic books, video games, cleaning supplies namely, dry cleaning preparations, carpet cleaning preparations, carpet cleaning machines, floor cleaning machines, glasses, glasses accessories, belts, gift bags, outdoor climbing bags, sports bags, leisure bags, watches, sports clothing, shoes and headwear, outdoor equipment and accessories, namely, sleeping bags, mountain climbing backpacks, outdoor cushions, fishing supplies, swimwear, sports equipment, bikes and accessories, protective equipment namely, protective eyeglasses, protective helmets for sports, safe contraceptive, pregnancy tests, love toys, lingerie, rehabilitation aids namely, electric hearing aids, personal floatation aids, nutrition food supplements, storage supplies namely, plastic food storage bags, metal storage tanks, storage closets, storage racks, bathroom supplies namely, bathroom and shaving mirrors, bathroom furniture, candles, candelabra (candlesticks), pottery, vases, pots, flower-pot covers, statues and statuettes, fountains, dried flowers for decoration, lighting, lamp shades, lampshade holders, goods for the garden namely, gardening shears and scissors, garden picks, outdoor tools namely, power tools, hand tools, travel supplies and goods for outdoor activities, namely hand-tools (hand-operated), hammers (hand-tools), walking sticks, travelling sets (leatherwear), traveling rugs, compasses, multi-functional watches for sports, telescopes, water bottles and torches for lighting, camping equipment and sets, household furnishings (interior and exterior), books, audio and video products namely, audio and video cassette recorders, audio and video receivers, video baby monitors, compact disks and leather bags, laundry detergent, pesticides, electronic-books, pedometer, photographic paper, glue, drawing boards, buttons, printers and accessories namely, filled ink cartridges for printers, filled toner cartridges for laser printers, printer cartridges, fishing tackle, goggles for sports, electronic book readers, recording pen, portable media players namely, mp3 players, mobile phones, electronic tablets, handheld computer, cameras and accessories namely, camera adapters, camera batteries, camera brackets, hosiery, girdles, scarfs, gauze masks, tablet computers, smart watches, watch smart bands bracelets, leather bag.

(15) Sales and wholesale services for goods [online or physical store] featuring bleaching preparations and other substances for laundry use, cleaning, polishing, scouring and abrasive preparations namely all-purpose cleaning preparations, bleaching preparations for cosmetic purposes, bleaching preparations for laundry use, bleaching preparations for the hair, carpet cleaning preparations, de-greasing preparations for household purposes, soaps, perfumery, essential oils, cosmetics, hair lotions, dentifrices, dietetic substances adapted for medical use, food for babies, plasters, materials for dressings, material for stopping teeth, dental wax, disinfectants, preparations for destroying vermin, fungicides, herbicides, machines, namely metalworking machines, hand-held tools (other than hand-operated), clothes washing machines, bottle washing machines, textile washing machines for industrial purposes, vehicle washing machines, garbage disposals (machines) and vacuum cleaners, and machine tools, hand tools and implements (hand operated), cutlery, razors, scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments namely, liquid level sensors, oil level sensors, sound level sensors, optical sensors, telescopes, microscopes, cameras, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity namely, electric wires, electric switches, electricity conduits, power switches, electric power generators, electrical power connectors, power transformers, apparatus for recording, transmission or reproduction of sound or images namely, audio receivers, stereo receivers, loudspeakers, car antennas, radio antennas, television receivers, magnetic data carriers namely, blank magnetic tape, recording discs, namely, blank floppy discs, blank audio compact discs, automatic vending machines and mechanisms for coin-operated apparatus, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes namely refrigerators, freezers, stoves, grills namely cooking grills, ovens namely gas ovens and electric ovens, precious metals and their alloys and goods in precious metals or coated therewith, namely boxes of precious metal or coated with precious metal, jewelry of precious metal or coated with precious metal, works of art of precious metal or coated with precious metal, statues of precious metal or coated with precious metal and ornamental pins of precious metal or coated with precious metal, jewelry, precious stones, horological and chronometric instruments, musical instruments, paper, cardboard and goods made from these materials, namely writing or drawing books, cards, flags of paper, bags [envelopes, pouches] of paper, for packaging, boxes of cardboard or paper, copying paper (stationery), towels of paper, cups of paper, toilet paper, memo pads, loose-leaf notebooks and albums, printed matters namely, note paper and loose leaf paper, decals, trading cards, posters, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials , paint brushes, typewriters and office requisites namely, office requisites in the form of finger-stalls, paper folding machines as office requisites, instructional and teaching material namely, manuals, books, plastic materials for packaging, printers' type, printing blocks, leather and imitations of leather, and goods made of these materials, namely pocket wallets, purses, handbags, bags, vanity cases (not fitted), coverings of skins (furs), leather laces, moleskin (imitation of leather) and fur,

animal skins, hides, trunks and traveling bags, umbrellas, parasols and walking sticks, whips, harness and saddlery, furniture, mirrors, picture frames, goods of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerschaum and substitutes for all these materials, or of plastics, namely containers for storage or transport, sealing caps, steps (ladders), bamboo curtains, bead curtains for decoration, works of art of wood, wax, plaster or plastic, shells, display boards, signboards of wood or plastics, decoration of plastic for foodstuff, kennels for household pets, clothes hooks, furniture fittings, slatted indoor blinds and pillows, household or kitchen utensils and containers, combs and sponges, brushes, brush-making materials, articles for cleaning purposes namely, cleaning sponges, grill cleaning scrapers, steel wool, unworked or semi-worked glass (except glass used in building), glassware, porcelain and earthenware, ropes, string, nets, ferns, awnings, tarpaulins, sails, sacks and bags, yarns and threads, for textile use, textiles and textile goods namely, flags and pennants of textile, curtain holders of textile material, face towels of textile, bed and table covers, clothing, footwear, headgear, lace and embroidery, ribbons and braid, buttons, hooks and eyes, pins and needles, artificial flowers, carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings, games and playthings, gymnastic and sporting articles namely, sports eyewear, sports watches, nets for sports, decorations for Christmas trees, meat, fish, poultry and game, meat extracts, preserved, frozen, dried and cooked fruits and vegetables, jellies, jams, compotes, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, tapioca, sago, artificial coffee, flour and preparations made from cereals namely noodles, pasta, spaghetti, cereal bars, processed cereals, bread, pastry and confectionery, ices, honey, treacle, yeast, baking-powder, salt, mustard, vinegar, sauces (condiments),spices, ice, agricultural, horticultural and forestry products, namely, trees, undressed timber, raw barks and grains, fresh fruits and vegetables, seeds, natural plants and flowers, foodstuffs for animals, malt, beers, mineral and aerated waters and non-alcoholic drinks namely, non-alcoholic chocolate-based beverages, non-alcoholic coffee-based beverages, non-alcoholic tea-based beverages, fruit drinks and fruit juices, syrups and other preparations for making beverages namely, non-alcoholic fruit extracts used in the preparation of beverages, alcoholic beverages, smokers' articles, matches, household appliances namely, air purifiers for household purposes, charcoal roasters for household purposes, electric freezers for household purposes, electric fans for household purposes and kitchen appliances, automotive supplies namely, rust proofers, sound insulation, fabric sealants, paint protectors, automotive accessories namely, automotive suspension springs, automotive batteries, automotive fuses, preparations for home maintenance and renovation namely, detergents for household use, soaps for household use, disposable wipes for household use, kitchenware, goods for indoor and outdoor home decoration namely, Christmas decorations, paper party decorations, Christmas tree ornaments and decorations, dried corn husks for decoration, home textiles, tableware, net curtains, curtains of textile or plastic, blinds of textile, wall hangings of textile, non-woven textile fabrics, loose covers for furniture, cushions, covers for cushions, furniture coverings of textile, personal care products namely, body care soap, hair care preparations, lip care preparations, nail care preparations, lotions for face and body care, mobiles, mobile phone accessories, hygienic products and beauty care cosmetics, toiletries, make-up, articles for babies namely, babies' bottles, pacifiers for babies, baby strollers, preparations for perfuming the home, childcare goods namely, baby lotion, baby oils, baby powder, shampoos for babies, pharmaceutical anti-allergic preparations and substances, pharmaceutical preparations for wounds, healthcare products namely, vitamins and dietary supplements for promoting weight loss, dietary supplements for general health and well-being, healthcare appliances namely, orthodontic appliances, x-ray appliances for dental and medical use, depilation appliances, hair cutters, home entertainment products namely, home theatre surround sound systems, home video game machines, clothing accessories namely, headbands, bandanas, belts, scarves, mittens, gloves, computers, software, communication and consumer electronics namely, electronic agendas, electronic pens, computer hardware, multimedia and telephony goods and accessories therefor namely, automatic telephone exchanges, cases for telephones, answering machines, cellular phones, mobile phone straps, dmb (digital multimedia broadcasting) televisions, multimedia applications for mobile phones in the form of word games, mouses, keyboards, cameras, videos, gaming devices, power supplies, cables namely, electronic cables, audio/video cables, laptop tips, monitors, fax machines, network products, namely modems , USB flash drives, hard drives, portable hard drives, network storage servers, switchboards and network interface cards, routers, 3G Internet mobile devices, office equipment, office supplies, namely, printers, projectors, fax machines, compound machines, scanners, shredders, laser pointers, calculators, toner, ribbons, cartridges, system software, antivirus software, game software , office software, educational software tools, photographic accessories, namely, photographic filters , photographic flash units for cameras, photographic racks, electronic books, video games, cleaning supplies namely, dry cleaning preparations, carpet cleaning preparations, carpet cleaning machines, floor cleaning machines, glasses, glasses accessories, belts, gift bags, outdoor climbing bags, sports bags, leisure bags, watches, sports clothing, shoes and headwear, outdoor equipment and accessories, namely, sleeping bags, mountain climbing backpacks, outdoor cushions, fishing supplies, swimwear, sports equipment, bikes and accessories, protective equipment namely, protective eyeglasses, protective helmets for sports, safe contraceptive, pregnancy tests, love toys, lingerie, rehabilitation aids namely, electric hearing aids, personal floatation aids, nutrition food supplements, storage supplies namely, plastic food storage bags, metal storage tanks, storage closets, storage racks, bathroom supplies namely, bathroom and shaving mirrors, bathroom furniture, candles, candelabra (candlesticks), pottery, vases, pots, flower-pot covers, statues and statuettes, fountains, dried flowers for decoration, lighting, lamp shades, lampshade holders, goods for the garden namely, gardening shears and scissors, garden picks, outdoor tools namely, power tools, hand tools, travel supplies and goods for outdoor activities, namely hand-tools (hand-operated), hammers (hand-tools), walking sticks, travelling sets (leatherwear), traveling rugs, compasses, multi-functional watches for sports, telescopes, water bottles and torches for lighting, camping equipment and sets, household furnishings (interior and exterior), books, audio and video products namely, audio and video cassette recorders, audio and video receivers, video baby monitors, compact disks and leather bags, laundry detergent, pesticides, electronic-books, pedometer, photographic paper, glue, drawing boards, buttons, printers and accessories namely, filled ink cartridges for printers, filled toner cartridges for laser printers, printer cartridges, fishing tackle, goggles for sports, electronic book readers, recording pen, portable media players namely, mp3 players, mobile phones, electronic tablets, handheld computer, cameras and accessories namely, camera adapters, camera batteries, camera brackets, hosiery, girdles, scarfs, gauze masks, tablet computers, smart watches, watch smart bands bracelets, leather bag.

(16) Providing quality management systems auditing.

(17) Database marketing services in the form of compiling customer specific databases.

(18) Administrative processing of purchase orders.

(19) Providing and rental of exhibition stands and booths.

(20) Rental of vending machines.

(21) Medical fitness evaluation.

(22) Dissemination of financial information via an Internet-based database in the field of financial planning and financial management.

(23) Providing on-line news in the field of finance.

(24) Electrical repair and installation of electrical motors.

(25) Motor vehicle maintenance and repair.

(26) Electronic mail.

(27) Providing chat lines utilizing the internet.

(28) Providing an online bulletin board in the fields of cooking, community social events, job postings.

(29) Merchandise packaging.

(30) Delivery of goods by truck.

(31) Parcel delivery.

(32) Online electronic publishing of books and periodicals.

(33) Providing correspondence courses featuring language training; providing correspondence courses in the field of law enforcement; providing correspondence courses at the high school level.

(34) Providing a web site featuring on-line computer games and information about computer games .

(35) Operation of an online interactive computer website for customers to customize and order photo gift products bearing image data of the customer.

(36) Computer software design.

(37) Rental of web servers.

(38) Rental of a database server to third parties.

(39) Cloud computing web hosting services.

(40) Hotel services.

(41) Carry-out restaurants.

(42) Cafe services.

(43) Providing conference rooms.

(44) Home health care services.

(45) Managed health care services namely, electronic processing of health care information.

(46) Beauty salons.

(47) Providing electronic greeting cards via the Internet.

KO-PRO FULL FACTORY WARRANTY + KOMEXS TELEMATICS 3 YEAR 3000 HOURS

Image Description (Vienna)
- Other backgrounds divided into two or four
- Shields containing representations of geometrical figures or solids, lines, bands or partitions
- Shields containing other figurative elements or inscriptions
- Shields containing inscriptions
- Mathematical signs
- Mathematical signs combined with figures or letters
- Black
- Blue
- White, grey, silver

Colour Claim
Colour is claimed as a feature of the trade-mark. The mark depicts the drawing of a shield with an outer border and an inner border. All words of the mark are found within the inner border and the background colour of the shield within the inner border is black unless otherwise stated. The words KO-PRO are blue and the words 3 YEAR are white. The words FULL FACTORY WARRANTY+ KOMEXS TELEMATICS are white against a blue semi-circle background found at the lower half of the shield within the inner border. The words 3,000 HOURS are black against a white rectangular

background found at the top right-hand quadrant of the shield, all inside the inner border. The colour of the inner border is grey. The outer border of the shield is divided in half vertically. The space between the inner border and the outer border on the right hand side of the shield is black, and the space between the inner border and the outer border on the left hand side of the shield is grey, fading to become light grey and then white at the top and bottom ends. The colour of the outer border is black, fading to become grey and then white at the top and bottom ends towards the center of the outer border of the shield.
